3.1 A conflict of interest refers to a situation in which the Private Interests or personal considerations of the Member could compromise, or could reasonably appear to compromise, the Member's judgment in acting objectively and in the best interest of the Committee. It is important to note that a conflict of interest exists if the decision could be, or could appear to be compromised. It is not necessary that compromise takes place.

3.2 A conflict of interest also includes using a Member's position or Confidential Information for private gain or advancement or the expectation of private gain or advancement (e.g. direct or indirect financial interest in a matter, a contract or proposed contract with the SPC or its agent, the Lead SPA). A conflict may occur when an interest benefits any member of the Member's family (spouse, partner, children, parents, siblings), friends or business associates.

3.3 Members should not engage in private employment or render services for any person or corporation where such employment or services are considered a conflict of interest as defined by the Province of Ontario Conflict of Interest legislation. Where a Member is or becomes involved in such private employment, the Member must resign from the Committee.

3.4 A conflict of interest does not generally apply when there is an interest in common with others in the community or a portion of the community.

4.0 Application and Scope

This Code applies to all persons appointed to a Committee under section 7 of the *Clean Water Act, 2006*.

5.0 Principles and Code of Conduct

5.1 Members of the Committee are expected to:

- 5.1.1 Conduct themselves ethically, lawfully and with integrity;
- 5.1.2 Act in the public interest, serving the mandate of the Committee as a whole, rather than serving the Member's Private Interest or other interests;
- 5.1.3 Maintain a sense of fairness, independence and objectivity and treat others with respect;
- 5.1.4 Refrain from placing themselves in Conflict of Interest situations;
- 5.1.5 Disclose any actual, potential or perceived Conflict of Interest to the Chair of the committee and to the Chair of the source protection authority or where the Chair is reporting, to the Minister and the Chair of the source protection authority;
- 5.1.6 Refrain from engaging in any of the Prohibited Activities as described in this policy;
- 5.1.7 Educate other Members on those matters within their own area of expertise with a goal of having the Committee make decisions collectively;
- 5.1.8 Demonstrate their commitment to the Committee and to the source protection planning process through high levels of attendance and participation at committee meetings.
- 5.1.9 Every Member of the Committee, the staff or consultants are entitled to work in an environment that is free from discrimination and/or harassment. The Chair will take prompt and appropriate action to prevent, discourage or respond to incidents of discrimination or harassment. Every Member, staff or consultant of the Committee will deal with their fellows in a fair and equitable manner free from discrimination and/or harassment.

A Member or volunteer who feels they are being harassed at work should:

- make it clearly known to the offender that their conduct is unacceptable and should not be repeated; and/or
- discuss the situation, in confidence, with the Chair or Project Manager;
- keep a short written record of dates, incidents and names of witnesses, if any;

- if necessary, prepare a written complaint.

Upon receipt of a verbal or written complaint, the Chair or Project Manager will conduct an investigation in confidence. If the investigation concludes that harassment has occurred, appropriate disciplinary action will be taken (this may include suspension or termination). If the investigation concludes that the complaint is unfounded the complaint and investigation file will be destroyed. The Member or staff who issued the complaint will be informed of the results of the investigation and of any action taken.

5.2 Confidential Information

Members have access to Confidential Information by reason of their participation on the Source Protection Committee. Members must not make such confidential information available to the public. Members are governed at all times by provisions of the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA). Where a Member is unsure of the status of information, before making any release he/she shall discuss it with the Project Manager.

5.3 Only the Chair or the Project Manager or his/her designate should comment to the media on behalf of the Committee. This policy is not intended to restrict the ability of Members to express an opinion. However, the Member must make it clear that he/she is commenting in their capacity as a Committee Member and not on behalf of the Committee.

5.4 All Members appointed to a Committee by a source protection authority have an obligation to raise any concern with the Chair with respect to their compliance with this Code. The Chair will determine an appropriate response and communicate this to the Member.

5.5 The chair of the Committee has an obligation to raise any concern with the Minister and the Chair of the source protection authority with respect to their compliance with this Code. The Minister will determine an appropriate response and communicate this to the Chair and the Chair of the source protection authority.
